## Winter Shelter Update

We are just over a third of the way through this years Winter Shelter. We are once again joining with SKCC to host Tuesday evenings over the coldest and wettest months of the year. The team of volunteers from both churches and beyond are doing a great job making the guests feel welcome and safe as well as serving some good food. Due to this and the dedication of the Winter Shelter team we have seen a lot of people finding accommodation as well as huge personal transformation in some of the guests.

Please pray for all involved for strength, wisdom and compassion and that we would see guests and volunteers finding Jesus in the midst of this practical outreach.
