## **SCHOOLS WORK UPDATE**

We have such a privilege to be able to go into our local schools in Folkestone and share stories and truth with hundreds of children. We currently have connections with 5 primary schools on a regular basis with assemblies each term. These schools are St Mary's, St Martins, Harcourt, All Souls and Cheriton. In addition to assemblies we deliver Walk Through The Bible to a range of schools in the area. This is a 5 lesson teaching program that teaches children the big picture of the Old Testament through lots of fun interactive story telling, role play, games, props and actions. The responses, conversations and revelations that come from these moments is incredible. Walk through the bible is a world wide charity that takes the Old Testament into so many schools. Check out their website at [bible.org.uk](http://bible.org.uk). Please pray for us as we go into schools, that truth will be revealed and that lives will be changed amongst children and staff.

### **OPERATION SUNSHINE CONTAINER LOADING**

Operation Sunshine will be loading a 40ft container with donations bound for Africa on Wednesday May 15.
